SHOW: *The Twilight of the Golds*

by Jonathan Tolins

STORY: If your parents knew everything about you before you were born, would you be here? That is the question posed in this entertaining drama. All is well when Suzanne Gold and her close New York family discover that she is pregnant, until a prenatal test reveals that the baby will most likely be homosexual. The news forces the entire Gold family to confront issues of bigotry, evolution and the limits of love. "Funny, Thoughtful, and almost eerily topical", "A marvelous achievement at all levels", and "An entertaining theatrical tempest"

CHARACTERS: **David Gold** – Late twenties. Charming, sensitive, gay, aspiring set designer. A fervent Wagner fan.

Suzanne Gold-Stein – Early thirties, his sister. Bright, attractive. Feels as if she never lived up to her own potential. Works as a buyer for Bloomingdale's department store.

Rob Stein – Early thirties, Suzanne's husband. A genetic researcher. A handsome, decent fellow. Still feels like an outsider in his wife's family.

Phyllis Gold – Fifties, David and Suzanne's mother. An elegant woman, smarter than she sometimes lets on. Perpetually worried about her children.

Walter Gold - Fifties, David and Suzanne's father. A sometimes gruff New York businessman. Far more sensitive than he often appears.
